Version 01

Overview

D.I.R. message customers to specify the Frequent Guest and/or Airline Frequent Traveler number(s) as new options to the current D.I.R. Hotel List (HLQ), Hotel Availability (VAQ) request messages for Travelport Worldspan (1P). The Frequent Guest and/or Airline Frequent Traveler number(s) will then be passed to the participating hotel supplier(s). The hotel supplier(s) that allow and accept these fields will then have an option to process and return qualified availability and rate(s) for sale based on the Frequent Guest/Airline Frequent Traveler number(s).

Customer Benefit

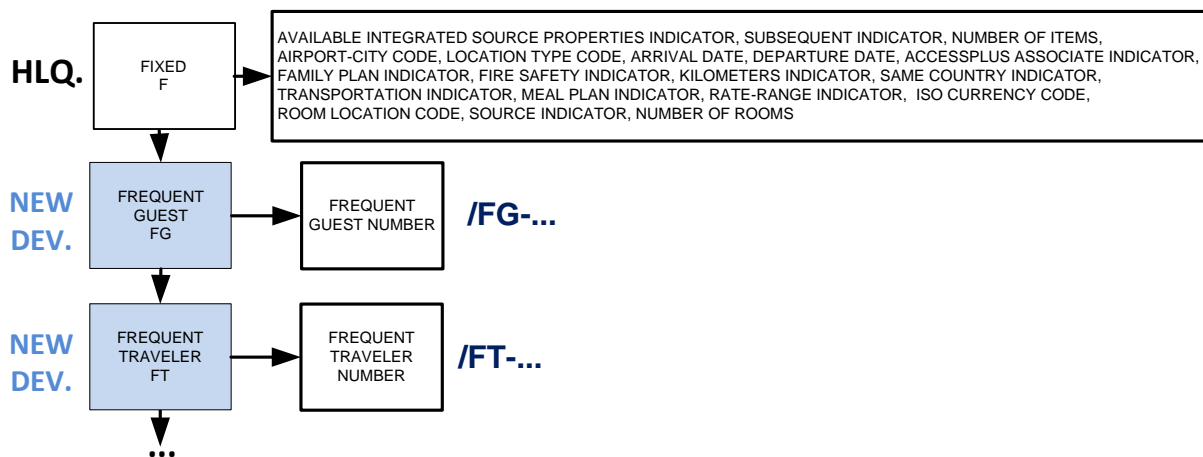

- Enhance the current D.I.R. Hotel List (HLQ), Hotel Availability request messages to specify Frequent Guest and/or Airline Frequent Traveller number(s) as new options for participating hotel sponsors to process and return qualified availability and rate(s).
